"This is the work of the contemplative: continually to nourish, perpetually to replenish and consequently to renew the holiness in the Church."

RICHARD CARDINAL CUSHING

Call to Worship

Monastery of Discalced Carmelite Nuns
Mount Carmel Road, Danvers, Massachusetts
Spring 4-2420

The life of the Carmelite Nun is contemplative; it is the life of Our Lady at Nazareth, a life of prayer and sacrifice, destined to procure the glory of God by continual intercession for the needs of the Church, the sanctification of priests and the salvation of souls.

We have recently completed the construction of a new addition to our factory in Woburn, Mass.

This addition includes a new and larger plating room and a beautiful modern showroom.

We have installed new specially designed electroplating equipment that will enable us to improve our service to our many friends and customers.

Our new spacious showroom, with ample parking, will allow our customers to drive right up to the front door (5 minutes from Rte. 128) without the ordeal of that big city traffic.

We will however still maintain our salesroom at our old address:

"And the Greatest of These
is **CHARITY"**

Many wonderful charitable accomplishments have been made possible through the Archbishop Cushing Charity Fund. Your contributions to the Fund go directly to help the unfortunate among us — the physically and mentally ill, the poor, the aged and the young, the shut-ins, the handicapped.

One of the most recent projects undertaken with the assistance of the Fund is one of the most deserving that I have ever sponsored. It is the building of a church on the grounds of seven state institutions for the mentally ill.

To me, as spiritual shepherd of the Archdiocese, it has long been apparent that for the thousands of Catholics among the patients at these institutions there is urgent need for the help of religion which only a church on the grounds can give.

Such churches indeed are needed not only as a source of consolation and a means of salvation, but also to assist in a very definite way the recovery from their illness, the regaining of peace of mind and soul.

If you can make a gift for this worthy cause now — or at any future time — I beg of you to send it to the Archbishop Cushing Charity Fund. If you are interested in Memorials in any of these churches, they are available and I shall be only too happy to list them for you. Whatever you give will be received with deepest gratitude.

Devotedly yours in the Lord,

Richard Cardinal Cushing

Pictured above is the magnificent new Cardinal Spellman High School showing the cafeteria counter designed for dual type service, thereby contributing to a smooth and efficient flow of traffic. To the left is pictured the beautiful new Convent Kitchen serving the needs of the Sisters of St. Joseph who staff the school.

As on Calvary - so at La Salette

... Mary stands alone between an angered God and a sinful people. By her tears and unceasing prayers She restrains the avenging arm of her Son, and God does not strike. But She needs help, and for this reason She instituted a crusade of penance and prayer. The sincere Catholic will join ranks with the Holy Father and in union with Mary, through prayer and self-denial, will strive day by day to reconcile sinners with God. A pilgrimage to La Salette's Shrine will help activate and keep alive a true apostolic spirit of zeal for souls.

VISITORS are welcome at any time.

PILGRIMAGE SERVICES are held each Sunday afternoon at 3:30 outdoors (May 1-Nov. 1) — 3:30 inside (Nov. 1-May 1)

DAYS OF RECOLLECTION may be arranged for groups on any day. The usual schedule runs from 9 a.m. until 4:30 p.m.

For further information, contact: — Director, LA SALETTE SHRINE, Ipswich, Mass.

"THE CHARITY OF CHRIST URGES US ON"

THE LITTLE MISSIONARY SISTERS OF CHARITY

(Founded by Don Orione)

The Little Missionary Sisters of Charity are dedicated to the spiritual and corporal works of mercy among the poorest of the poor and devote themselves to extend the reign of Christ and devotion to His Blessed Mother. The blind "Perpetual Adorers of the Blessed Sacrament" — commonly known as the "Blind Sacramentines" — are the contemplative branch of the Congregation.

PRINCIPAL OBJECTIVES: To render greater glory to God — the salvation of souls — and the sanctification of its members.

SPECIAL OBJECTIVES: The apostolate of charity in every field — hospitals, orphanages, homes for abandoned, retarded and crippled children, homes for the aged, mentally deficient, destitute and forsaken by society, youth organizations and the staffing of mission posts in foreign lands.

THE INNER VALUE OF SCHOOL FURNITURE

BY

Columbia

FOR EVERY CLASSROOM NEED:

The *backbone* of modern school furniture is the *tubing* and therein lies Columbia's matchless inner value, a superiority that gives rugged strength for long, long service.

Columbia's leadership in steel tubing technology is based on 82 years of experience in building bicycle frames of such rigid strength and light weight that Columbia bicycles have long been known as America's finest. This experience, research and exclusive manufacturing processes are brought to bear in the making of Columbia School Furniture. And you'll find that every item not only meets a specific classroom need but has been priced to meet today's school budgets. Please ask for our catalog which shows the colors and the complete line.

ST. CATHERINE'S CHURCH

Somerville, Mass.

Rt. Rev. Msgr. John W. Mahoney, Pastor

The effective relighting of the lower church, St. Catherine's Church, Somerville, is shown in the accompanying illustration. Here is a situation where the difficulties encountered in relighting the lower church present entirely different problems compared to lighting the upper church.

Fluorescent fixtures selected for the lower church by Monsignor Mahoney were especially designed to reduce glare. The coloring throughout the lower church is predominantly buff with the ceiling a lighter buff.

Planned lighting for a church is more than meeting the problem of providing the correct quantity of illumination. Boston Edison Company lighting engineers are available without obligation for consultation on all such lighting.

MANUFACTURERS OF CANDLES OF ALL DESCRIPTIONS

May we introduce to you our new creation

Saint-O-Lites

the candle with the self contained intention.

Our SAINT-O-LITES have been tested and proved in many of the larger ecclesiastical institutions. It was found that the parishioners eagerly accepted these lights and appreciated the opportunity to burn more of them as a symbol of devotion to their patron saint.

Of course our SAINT-O-LITES are manufactured with the same meticulous care and are of equal high caliber as our Open and Bottle "SANCTUSLITES."

The designs presently available are: Our Lady of Lourdes, Sacred Heart of Jesus, Infant of Prague, Miraculous Medal, St. Jude Thaddeus and St. Anthony. All designs are permanently printed of nearly glass length.

Free samples will be sent on request. Watch your mail for further information.

Marist

Hands of Mercy

*Beginning
a second century
for the missions*

■ THE BOSTON ARCHDIOCESE was just 50 years old when, in 1858 the first women missionaries arrived in the Marist Missions of Oceania—land of cannibals and headhunters. It was the beginning, too, of the first society of women formed solely for the apostolate of service in foreign missions — something new in the Church: women Religious travelling through jungle brush, from village to village, Sisters in dugouts and outrigger canoes, Sisters on horseback, Sisters without cloister, without any of the traditional safeguards of European high-walled convents.

Today, a full century later, the stream of GENEROUS SOULS continues to pour itself out for the salvation of souls. With Mary in their hearts and working in Mary's name, more than 600 Marist Missionary Sisters, a large percentage from the Boston Archdiocese, are in actual service in the foreign missions, scattered in more than a hundred mission stations, dedicated to the primitive and advanced mission works of today's mission apostolate.

Beginning with the original foundation of the Marist Missionary Sisters on Isabella Street, off Arlington Street, Boston, in 1922 (see cover), the American Region has grown rapidly, with a Novitiate at Bedford, a Postulate at Lowell, and the house of Administration in Framingham Centre, the latter also the site of the juniorate and house of studies for Marist Missionaries in higher studies at Boston College, Emmanuel, Sacred Heart and other nearby colleges and schools of nursing. From all four houses of the Marist Missionary Sisters, corps of Sisters engage in Catechetical work in nearby parish groups, as one way of repaying their debt of gratitude to their beloved Archbishop Cushing, to whose paternal interest and help they owe so much.

The Marist Missionary Sisters have indeed grown with the Boston Archdiocese, and it is to the Boston Archdiocese that they look for the future increase — in vocations and in mission aid.

Unique in that every Marist Missionary Sister is vowed for actual work in foreign missions, the Society is best known for its leprosy apostolate, with approximately every fifth member (volunteers only) caring for victims of leprosy. The Marist Missionaries are likewise well known to Bostonians through the activities of their mission guild, the ALOFA MALIA CLUB, numbering some 600 lay auxiliaries from Greater Boston and even outlying districts, with a club history of more than two decades of work, sacrifice and prayer for the mission cause.

OUR LEGAL TITLE:
*Missionary Sisters
of the
Society of Mary, Inc.*

In Australia, New Zealand, the Solomons, New Guinea, Tonga, Wallis-Futuna, New Hebrides, New Caledonia, Samoa, Hawaii and the Fiji Islands of the South Pacific, in Jamaica, British West Indies, in Dakar, West Africa — and always, new fields beckoning.

A Vision

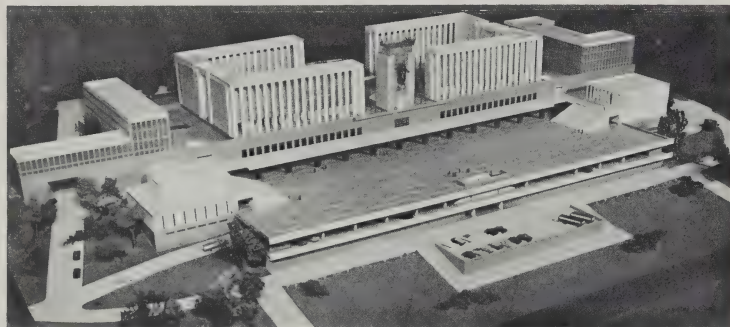

by *Mario Bacciocchi*
the noted Architect of Milan, Italy

*Much assistance is earnestly needed to make
this dream come true.*

This magnificent statue 32 feet high, by the great sculptor, Arrigo Minerbi, will be the dominant feature in the center of the Don Orione Madonna Shrine being planned and built atop the East Boston hill where stands the Don Orione Home overlooking Boston.

Gifts, large or small, will make this possible for the Sons of Divine Providence who operate the home.

One visit only to the Home will show the fine work being done for aged Italians.

SHRINE OF OUR LADY OF FATIMA

In the Heart of Massachusetts

ROUTE 126

HOLLISTON, MASS.

Central Part of the Shrine

In 1917, at Fatima, Our Lady appeared six times, from May to October, to three little shepherd children: Lucy, Jacinta and Francisco. She entrusted to them a message for mankind.

To make Her message known and promote devotion to Mary's Immaculate Heart, this Shrine was established and solemnly blessed in 1950 by His Excellency Archbishop Cushing.

Calvary Scene at the Shrine

THE XAVERIAN MISSIONARY FATHERS, who conduct the Shrine, are members of a Religious Congregation dedicated exclusively to Missionary Work in pagan lands. They have Missions in Japan, W. Africa, Belgian Congo, E. Pakistan, Indonesia and Brazil.

To help them is to hasten the advent of the Kingdom of God among men and the triumph of the Immaculate Heart of Mary in the world.

THE MESSAGE OF OUR LADY

"Pray, pray very much. Make sacrifices for sinners. Many souls go to Hell because no one is willing to help them with sacrifice".

"Say the Rosary every day to bring peace to the world".

"To save souls, God wishes to have the devotion to my Immaculate Heart established in the world".

"People must amend their lives and ask pardon for their sins. They must not offend Our Lord any more".

"If you do what I say . . . you will have peace".

♦ ♦ ♦

THE SHRINE is always open and it is lighted in the evening.

SERVICES ARE HELD EACH SUNDAY AFTERNOON AT 4 O'CLOCK.

SPECIAL ARRANGEMENTS may be made for daytime or evening services for groups of any size.

The majority of secular institutions have Catholic Clubs as campus activities.

Most of these organizations are known as Newman Clubs. As their purpose is to safeguard the faith of Catholic students attending non-Catholic institutions of higher learning, parents should direct their children to these clubs.

"It is generally accepted that children in their early formative years learn and absorb traits of character that stay with them for life. Every Milton Bradley item for use in the school educational field is designed with the thought of the child and the molding of his character. No greater pleasure or satisfaction could be derived from any line of business than that of serving and assisting the children of all countries — men and women of tomorrow. We regard it as a distinct privilege to share with you in this responsibility."

why argue about processes?

With MODERN duplicating you can produce the kinds of copies you want on equipment that fits your needs.

For ten to thousands of copies in rich black and/or colors, there are the new A. B. Dick mimeographs—from low-cost, hand-operated models to heavy-duty, power-driven models.

For short runs with positive cleanliness, there are the economical A. B. Dick Azograph® duplicators. Here, at last, is smudge-free, stain-free duplicating for the times when five to fifty and more copies are needed immediately. And this machine can also be used for spirit process duplicating.

If you need up to 9,000 copies an hour of written, typed, drawn or photographed material—in fine line—with half-tone screens—with solids, then you will want to see the new A. B. Dick offset duplicator with exclusive AQUAMATIC control that assures top quality copies.

Each of these duplicators has valuable features. Each has its place in business today. But, you get the real benefits and savings of MODERN duplicating when you have the process or combination of processes that fits your individual needs. That is where we can help. We are unbiased because we have all processes and will be glad to demonstrate them all.

CONN

A triumph in design and manufacture, the CONN, in five distinctive, moderately-priced instruments, establishes a new standard among electronic organs. All models of CONN produce the same purity and richness of tone with the same great ease. CONN organs can be heard at Boston's Cathedral of the Holy Cross, Don Orione Home, Bradford Junior College, Matignon High School in Cambridge, Seminary Queen of Apostles in Dedham, Our Lady of Good Voyage in Gloucester, Church of the Holy Rosary in Winthrop, St. Francis' College in Rye Beach, N. H. and hundreds of other CHURCHES, SCHOOLS, RESIDENCES.

WICKS

Individually designed and custom-built, the WICKS pipe organ offers tonal splendor, fine control and impressive design. Direct electric action is economical, trouble-free and reliable. Among the notable WICKS installations in this area are the organs at the Boston Conservatory of Music, Holy Name Church in West Roxbury and St. Michael's in Exeter, N. H.

St. Gregory's Convent, Dorchester. Gas was the natural choice of the Sisters of Notre Dame de Namur when they remodeled their kitchen because Gas appliances last longer, cost less to maintain.

Two more Catholic Institutions join the swing to Gas

St. Clare's High School. A Gas kitchen was the perfect solution for providing quick, inexpensive meals in the new Cafeteria of this Central High School conducted by the Franciscan Sisters.

Every day, more and more modern institutions are using clean, economical, dependable Gas for cooking, water heating, clothes drying and incineration. They know that Gas gives them more for their money. Equipment and operating costs are low. No expensive service or repair bills either.

So let Boston Gas help save you work and money. Let our Commercial Engineers assist you. Call

About New England Thrift

New England has known First National Stores long enough to recognize a sound New England institution. First National has for sixty years maintained a tradition of high quality merchandise offered at the lowest possible prices. New Englanders shop First National because they are thrifty folk who demand good food yet insist on saving cash. First National has pledged itself to continue this worthy New England tradition.

DIVINE WORD MISSIONARIES

HAVE GROWN INTO THE THIRD LARGEST MISSIONARY CONGREGATION OF THE CHURCH, with well over 8,000 Priests, Brothers and Seminarians. The Sister Congregations number also over 5,000. Father Founder, Arnold Janssen's Society now includes about twenty different nations, among them American Negroes, Japanese, Chinese, and Indonesians.

It was the first religious society in America to establish a seminary for the training of American boys for the Foreign Mission Fields.

The Society has become one of the greatest champions in promoting the education of native clergy. It directs the Pontifical College of St. Peter in Rome, giving advanced courses for Native Missionary Priests. It has given the Catholic mission world its first Mission Cardinal, Tien, S.V.D., of China, and to the church in America about 40 of its 50 Negro priests.

In the field of higher education and science its members have distinguished themselves.
